MAP-R is a tool designed to guide you through the MUSC research approval process. The MUSC Approval Plan will provide a comprehensive list of applications and links tailored for your research study. This tool will take less than 10 minutes to complete and will generate an approval plan customized for your study.

**Where do I Start?**

1. Go to: www.sctr.musc.edu/mapr

Enter information as you are prompted and begin the question set for your research study.

**Unsure what the Question means?**

2. Each question has a “more information” option that describes the intent of the question.

**Ready to Validate your Answers?**

3. Make any necessary changes, but note that branching logic may have changed and you will need to verify subsequent responses to questions.

**Then... Create your MAP-R!**

Still unsure?? Additional links can be found within “more information”....
Based on your Responses...

4  A MAP is hyperlinked to the required application/form to help outline the documents and forms that need to be completed.

5  Additional information is available as a quick reference for each application/form.

Access Previously Developed MAP-R’s

6  You will have the option to access previously developed MAP-R’s for future reference.
