AGENDA

8:30 AM   Registration

9:00   Welcome and Keynote Speaker Introduction
   Kathleen T. Brady, MD. PhD, Distinguished University Professor, Associate Provost, Clinical and Translational Science, MUSC & Director, SCTR Institute

9:10   Keynote Address - The Chronic Pain Epidemic: Translational Challenges and Opportunities
   Roger B. Fillingim, PhD, President of the American Pain Society (APS), Professor, University of Florida College of Dentistry, Director, UF Pain Research and Intervention Center of Excellence

Session 1: Conceptualization, Comorbidity and Interventions
   Moderator: Jenna L. McCauley, PhD, Assistant Professor, Department of Psychiatry and Behavioral Science, MUSC

10:10   Chronic Orofacial Pain - Disease or Symptom?
   Theresa S. Gonzales, DMD. MS. MSS, Professor, Department of Stomatology, College of Dental Medicine, MUSC

10:25   Pain, the Brain and Neurostimulation Technology
   Jeffrey J. Borckardt, PhD, Associate Professor, Departments of Psychiatry and Behavioral Sciences, and Anesthesia and Perioperative Medicine, College of Medicine, MUSC

10:40   Coffee Break & Networking

11:00   Common but Undertreated Chronic Pain among Individuals with End-stage Liver Disease Undergoing Evaluation for Transplantation
   Wendy Balliet, , PhD, Assistant Professor, Department of Psychiatry and Behavioral Sciences, College of Medicine, MUSC

11:15   Pre-surgical Weight is associated with Pain, Functional Impairment and Anxiety among Gastric-bypass Surgery Patients
   Sharlene Wedin, PsyD, Assistant Professor, Department of Psychiatry and Behavioral Sciences, College of Medicine, MUSC

Session 2: Pain Management and the Role of Opioids
   Moderator: Sudie E. Back, PhD, Associate Professor, Department of Psychiatry and Behavioral Science, MUSC

11:30   Integrating the South Carolina Reporting & Identification Prescription Tracking System (SCRIPTS) with Electronic Health Record Systems
   Christie Frick, RPh, Director, SC Prescription Monitoring Program, SC DHEC
11:45 The Burden of Opioids among Patients with Fibromyalgia Syndrome Initiating Duloxetine, Milnacipran, Pregabalin, or Combination Pharmacotherapy
Nicole M. Marlow, PhD, MSPH, Research Associate, Department of Public Health Science, College of Medicine, MUSC

12:00 Chronic Use of Prescription Opioids during Pregnancy
Constance Guille MD, Assistant Professor, Department of Psychiatry and Behavioral Sciences, College of Medicine, MUSC

12:15 Efficacy of Transcranial Magnetic Stimulation as a Tool to Decrease Pain and Craving among Prescription Opiate Abusers: an early sham-controlled pilot study
Colleen A. Hanlon, PhD, Assistant Professor, Department of Psychiatry and Behavioral Sciences, College of Medicine, MUSC

12:30 Working Lunch Break/Poster Presentations & Networking
Bioengineering Building & Drug Discovery Building Lobbies

1:10 Comprehensive Pain Management Program: Current Research, Inter-professional Collaboration, Program Design and Implementation
- Jeffrey J. Borckardt, PhD, Associate Professor, Departments of Psychiatry and Behavioral Sciences, and Anesthesia and Perioperative Medicine, College of Medicine, MUSC
- Kelly S. Barth, DO, Associate Professor, Department of Psychiatry and Behavioral Sciences, College of Medicine, MUSC

1:30 Multidisciplinary Panel Discussion
Moderator: Kelly S. Barth, DO
Panel Members:
- Roger B. Fillingim, PhD, President of the American Pain Society (APS), Professor, University of Florida College of Dentistry, Director, UF Pain Research and Intervention Center of Excellence
- David Adams, MD, Professor, Department of Surgery, College of Medicine, MUSC
- Deborah Dewaay, MD Assistant Professor, Department of Internal Medicine, College of Pharmacy, MUSC
- Jayne Quinn, BSN, RN-BC, CHPN, Pain Resource Program Coordinator, Specialty Nursing, Adult Inpatient Pain Management, MUSC
- Sarah Ball, PharmD, Assistant Professor, Department of Clinical Pharmacy and Outcomes Science, College of Pharmacy, USC
- Temeia Martin, MD, Assistant Professor, Departments of Internal Medicine and Psychiatry, College of Medicine, MUSC
- Thomas Rogers Kyle, MD, Assistant Professor, Department of Medicine, College of Medicine, MUSC
- Arthur Smith MD, Associate Professor, Department of Anesthesia and Perioperative Medicine, College of Medicine, MUSC

2:30 Summary, Discussion & Next Steps
Meeting Adjourn
